

# Memory Box

## Growing up

What can a **baby** do?

Eat with adult support, sleep, cry

What can a **toddler** do?

Crawl, walk, eat, talk, sleep - with support

What can a **child** do?

Communicate more effectively, walk, run, go to school, eat by themselves

What can a **teenager** do?

Go out by themselves,

What can an **adult** do?

Drive, vote, get married, travel by themselves

## My senses

My 5 senses are:

Sight

Smell

Touch

Hear

Taste

## Celebrations

We celebrate:

Christmas

Birthdays

Easter

Anniversaries

Weddings

Engagements

## Months of the Year:

January

February

March

April

May

June

July

August

September

October

November

December

How do families and friends show us that they love us?

## Owl Babies/Bunny My Honey

- Feeding
- Shelter
- Protection
- Comfort
- Teaching

## Following a route

How to get from one place to another:

I can use positional language -

Take two steps forward,

Turn right,

Turn left,

Take three steps to the right

North, East, South, West

## How have games changed?

Past

Metal

Wooden

Board games

Outdoors

Now

Plastic

Tablets

Computers
