<p>expand our programme of balance bike training.</p> <p>Year 1 -6 teams identified reading catch up as an important area. Reading Plus offers an individualised learning programme for reading catch up. Also many reading books were not returned following the lockdown period and needed to be re-purchased.</p> <p>The SENCo identified the need for all SEND children to be able to access individualised learning programmes such as Dyslexia Gold and Lexia.</p> <p>The whole school team identified a large number of children whose speech and language ability has deteriorated which is affecting progress in all subject areas.</p>	<p>50 Ipads purchased, covers and charging stations purchased along with appropriate licenses.</p> <p>Reading books purchased to supplement the scheme across school.</p> <p>Speech and Language teaching assistant appointed to work across school each afternoon on a 1:1 basis.</p>	<p>£13,000</p> <p>£500</p> <p>£9,000</p>
