

Year 6

Each week at home your child should:

- Learn weekly spellings and times tables.
- As part of the English Curriculum, the children are expected to spell most of the spellings from the Year 3/4 and Year 5/6 National Curriculum lists in the course of their independent writing. These spellings will be tested at the beginning of the year and retested on a regular basis. Both lists can be found in their spelling books and your support with learning these is essential to their progress.
- Read for 20 minutes on at least 3 evenings but preferably 5 evenings with books monitored daily. Children are rewarded with a stamp for three reads and after 15 stamps they can choose a book from the Book Trolley.

Autumn Term Topics

Geography

During this term, the children will learn about South America. We will focus on the different countries and major cities of the continents. We will look at the human and physical features of each country and compare them to the United Kingdom.

Science- Light

Weekly Timetable

Monday- New Spellings issued

Wednesday- PE (Children to come to school wearing correct PE Kit)
-Computing

Friday- Spelling Test
Homework to be returned and then handed back out.

Homework

Children will be sent home Maths and English homework each week on a Friday to be returned by the following Friday

SATs

During this half term we will begin our preparations for SATs. We encourage the children to achieve 'their' personal best and look forward to celebrating their success with them. Please ensure that your child has a good sleeping routine as this will aid their learning and help them to achieve their best.

SATs Week will take place on the week beginning 9th May 2022
