

Term: Spring 2024

Topic: Y5

Where in the world is Europe and what can be found there?

Each week you should:

- Learn weekly spellings and times tables
- Read each evening and have reading record signed at least 3 times a week. You can read your school book and go onto Reading Plus.

PE - Wednesday

SWIMMING

5CF WB 8th January and WB 15th January

5K WB 22nd January and WB 29th January

Here are some ideas for homework you can do with your child at home. This term please pick 2 or 3 projects to complete together and send your work back into school.

English theme

Produce a fact file about:
London, Ireland, Spain, France, Germany, Italy and/or Iceland.
Try to include information on the population, languages spoken, food, music, art etc.

Maths theme

Find out facts about different European countries and describe using mathematical vocabulary, for example:
*Find out how temperatures change, make a graph.
*Look at the time difference between different countries in Europe - what time is it here when they are going to bed?

Art theme

Research famous artists who were born in Europe and recreate some of their work. You can always have a go at doing another Van Gogh style painting or another Gaudi style animal!

Topic theme

Research and find out about European countries we do not have time to cover in school.

You could think about: climate, languages, culture and food.
